# INVITATION

## RENEWABLE REVIEW HYBRID WORKSHOP

On behalf of the SAREM PMO, established by the Department of Electricity and Energy and the Department of Trade, Industry and Competition, you are invited to attend a stakeholder workshop, held in collaboration with the Local Content Compliance Unit (LCCU), to unpack the notice and engage directly through questions and discussion. This session is hosted as a hybrid workshop - you are invited to attend in person.

### Information to attend the Renewable Review Notice 3864 of 2026 Webinar South Africa Manufacturing

09h00 - 14h00

Thursday, April 16<sup>th</sup>, 2026

**In person (by invitation only):** SIEFSA TRAINING CENTER  
(16 Lancaster Rd, Actonville, Benoni, 1506)

**Online (open to all):** [Register for the MS Team link.](#)

The purpose of this hybrid workshop is to provide insights on the ITAC Review process of **Renewable Energy Review Notice 3864 of 2026**, and outline its importance for South Africa's localisation and industrialisation goals.

This session is an opportunity to engage with industry leaders, manufacturers, and position South African manufacturers for meaningful participation in the renewable energy value chain.

### More information / RSVP

Please RSVP to the event by registering **through the link provided** in your email. You can also reach out to the following email addresses for any inquiries: [secretariat@sicsf.co.za](mailto:secretariat@sicsf.co.za)
