

South African  
Institute of Foundrymen

APPLICATIONS OPEN

# FOUNDRY INTERNSHIP OPPORTUNITY

Gauteng & Cape Town

## **Dear members of Industry,**

The South African Institute of Foundrymen is pleased to share the following industry internship opportunity for motivated candidates interested in building a career in foundry manufacturing, engineering, metallurgy, or industrial operations.

## **Foundry Intern Opportunity**

**Position:** Foundry Intern

**Locations:** Gauteng & Cape Town, South Africa

**Employment Type:** Internship / Fixed-Term Contract

This internship offers practical hands-on experience within a foundry and production environment, with exposure to daily foundry operations, moulding, melting, casting, finishing processes, quality inspections, health and safety procedures, and production support activities.

## **WHAT THE INTERNSHIP OFFERS**

Successful candidates will gain practical industry experience, exposure to foundry manufacturing processes, skills development, and mentorship.

## MINIMUM REQUIREMENTS

Applicants should have:

- Grade 12 / Matric
- Relevant qualifications or studies in Mechanical Engineering, Metallurgy, Manufacturing Production, Industrial Engineering, or a related technical field would be advantageous
- Willingness to work in a physically demanding environment
- Good communication and teamwork skills
- Strong attention to detail and willingness to learn
- Basic understanding of health and safety principles
- Computer literacy

## HOW TO APPLY

Interested candidates should submit the following:

- Updated CV
- Certified copy of ID
- Qualifications / academic records

Please use the relevant subject line when applying:

**“Foundry Intern Application – Gauteng”**

or

**“Foundry Intern Application – Cape Town”**

Applications should be sent to: [DZanetech@gmail.com](mailto:DZanetech@gmail.com)

Only shortlisted candidates will be contacted.

SAIF encourages members, industry partners, and educational institutions to share this opportunity with suitable candidates.

Kind regards,

**South African Institute of Foundrymen**
